PROSTHESES

TESTIMONIALS

"Knowing that Josh and his team were there to support me with not only their expertise, but also their willingness to listen and collaborate on problem solving, made the decision [to amputate] easier. Josh and his team have been there for me every 'step' - literally - of the way. I feel like part of the family at South County Limb and Brace... Everyone in the office is friendly, personable, and caring." - AP (Below The Knee Amputee)

"I've never experienced a prosthetist that thought outside the box and made the experience of a new socket so enjoyable and so different from my previous experiences" - JM (Below The Knee Amputee)
